Conditions of entry

Vehicles must be clean, complete and in safe working condition.

No exhibit shall be left running whilst unattended and all vehicles to be securely braked.

Please note a maximum speed limit of 5mph will be applied inside car display areas at all times.

Please be aware that entry may be subject to availability to people arriving as on the day exhibitors.

The Organisers reserve the right to refuse admission.

Marshals' decisions are final.

The Organisers reserve the right to alter the event without prior notice.

Vehicles are entered at owner's own risk.

The Organisers cannot guarantee to place exhibitors with friends unless they arrive together.

Vehicles ARE NOT PERMITTED to move within the display area until after 4pm on the day of the show. Any vehicle that must be moved must be accompanied by a marshal.

Please note: Tickets for clubs will not be issued until the club area is filled. This is to ensure that not only are clubs given the correct entry ticket, but also to ensure that all club cars are placed together where possible. 2017 should see a larger club area, however once the area has been filled, clubs will be placed elsewhere in the display areas. To avoid disappointment spaces will be issued on a first come first served basis with a minimum initial booking of 3 Cars per club and entries must be received on the same day. Any clubs received after the area has been filled will be given general display admission
