FRUIT.

WAR.

In present circumstances we feel in no mood to be frivolous. War has been forced on us owing to Germany ignoring the treaties of Europe. We are glad to inform you that the English fruit crop is one of the best on record; in fact we don't think ever we have had such record crops all in one year. Our Uplees Fruit Farm is a full crop of Apples, Pears and Plums, and it is our intention to sell them from our shops at Faversham, Whitstable and Dover at low prices.

**Your King & Country
Need You.**

Will you answer your Country's Call? Each day is fraught with the gravest possibilities, and at this very moment the Empire is on the brink of the greatest war in the history of the world.

If every patriotic man answers her call, England and her Empire will emerge stronger and more united than ever.

In this crisis your Country calls an all men who have previously served in the Navy, or in any branch of His Majesty's Forces, to rally round the flag and join the National Reserve.
